

7th Grade Research Project Note Cards- RUBRIC

Name: _____

Divide your note cards into three separate piles, organizing each subtopic into its own pile. Double-check that you have met the minimum required amount by counting each pile separately. If accurate, check-off each box below.

Subtopic #1: 8 cards total <input type="checkbox"/> 1 "topic" <input type="checkbox"/> 6 research "notes" <input type="checkbox"/> 1 "summary"	Subtopic #2: 8 cards total <input type="checkbox"/> 1 "topic" <input type="checkbox"/> 6 research "notes" <input type="checkbox"/> 1 "summary"	Subtopic #3: 8 cards total <input type="checkbox"/> 1 "topic" <input type="checkbox"/> 6 research "notes" <input type="checkbox"/> 1 "summary"
--	--	--

NOTICE! Your teacher may choose to look at each, individual card and/or may pull out a random number (minimum 4) to determine your grade. Therefore, YOU need to look at each one to make sure that each card meets the required material below "just in case" *that's* the card your teacher randomly pulls to grade.

Grading Criteria:	Points Possible:	Points Earned:
Heading in upper left corner identifies the subtopic & detail, in proper format using a colon (:)	0 -- none 1 – some cards 2 – most cards 3 -- all cards	
Source # is in upper right hand corner that coincides with its matching bib card that has the same source #.	0 -- none 1 – some cards 2 – most cards 3 -- all cards	
Page number is written in lower right corner, if available. Otherwise, "N/P" (no page) appears.	0 -- none 1 – some cards 2 – most cards 3 -- all cards	
Each note is clearly summarized or paraphrased in the student's own words OR is "directly quoted" with proper quotation marks around it.	0 -- none 1 – some cards 2 – most cards 3 -- all cards	
<u>At least one</u> note card contains a direct quote , properly formatted with quotation marks and a parenthetical citation.	0 -- none 1 – some cards 2 – most cards 3 -- all cards	
The content of the note is informative, detailed and research-based. <i>*Soc. St. assessment (x2 pts)</i>	0 -- none 1 – very few 3 – majority 5 -- all	
Minimally-required number of note cards have been completed (8 for each subtopic)	Yes = <input checked="" type="checkbox"/> No = REDO (-5 pts)	
Total points:	25
